A Century of Progress with Pride

May 9, 2019

Dear Residents & Property Owners,

I am pleased to inform you that we will be adding a new public sidewalk on the north side of 26th Street from Harlem Avenue to Riverside Drive and on the west side of Riverside Drive from 26th Street to Home Avenue. Funding for the project has been made possible through a grant from the Illinois Department of Transportation.

Construction is scheduled to begin on **Wednesday May 15, 2019** and is expected to be completed by July 3, 2019 (weather permitting). Normal construction hours will be from 7:00 a.m. to 5:00 p.m., Monday through Friday, with occasional work extending into the evening and on some Saturdays.

As part of the project there will be some tree removal to accommodate the new sidewalk. We apologize for the removal of the trees and the city will make efforts to plant replacement trees as the area allows, after completion of the project.

Should you have any questions or require additional information, please do not hesitate to contact the project engineer, Novotny Engineering, Inc. at (630) 887-8640. You can also visit the project website at www.berwynprojects.com for progress information.

Respectfully,

A handwritten signature in blue ink that reads "Robert J. Lovero".
